BRAND PHILOSOPHY

Illumination as an Art Form.

Light is the most powerful element in any space. Our studio blends Milanese design with modern LED technology for beautiful objects.

01 - FORM **Reductive Geometry**

02 - FORM **Honest Materials**

03 - FORM **Human Centric**

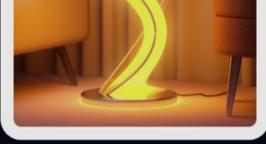

DESIGN LANGUAGE
Minimalist

CURATED COLLECTIONS

Designed for Space

Designed to anchor a room with its sculptural form and warm dimming technology. Now back in stock.

TRUTH OF MATERIALS

Honest Materials, Living Finishes

We design for longevity. Our materials are chosen for their ability to age gracefully, developing a unique patina that tells the story of its environment.

Light in Context

Light Featured Project: The Royal Opera House. Custom brass chandeliers designed to create warmth in a monumental space. Context.
