

■ TRUSTED MANUFACTURING SOLUTIONS

## WILL TO INDUSTRY.

**PROFESSIONAL ETHICS**

Integrity is one of Hub Steel core values – we are committed to acting beyond reproach in all matters and to doing what is ethical.

**HEALTH & SAFETY**

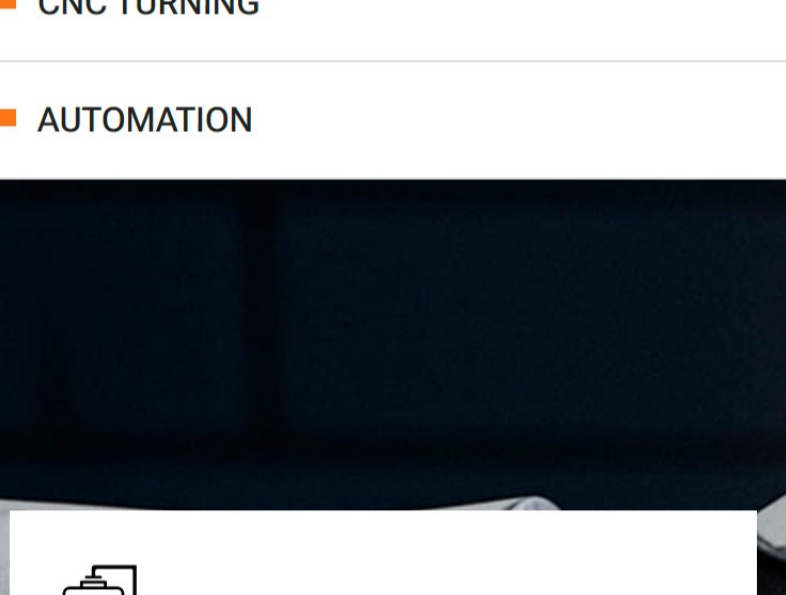

Health and safety remain our top priorities for our teams, supported by strict standards and proactive risk management.

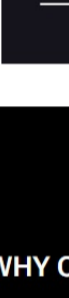

**EXPERIENCE & QUALITY**

With industry experience, we deliver quality built on precision and reliable performance, and achieves long-lasting results.

**WE'RE EXPANDING — BE PART OF OUR INDUSTRIAL SUCCESS.**

■ PROCESS

## TRUSTED THE BEST IN INDUSTRY SINCE 2018

We provide precision-driven solutions across robotics setup, renewable energy, oil and gas, and CNC machining, delivering reliable performance and lasting impact for every industrial project. Our expertise is built to meet complex requirements

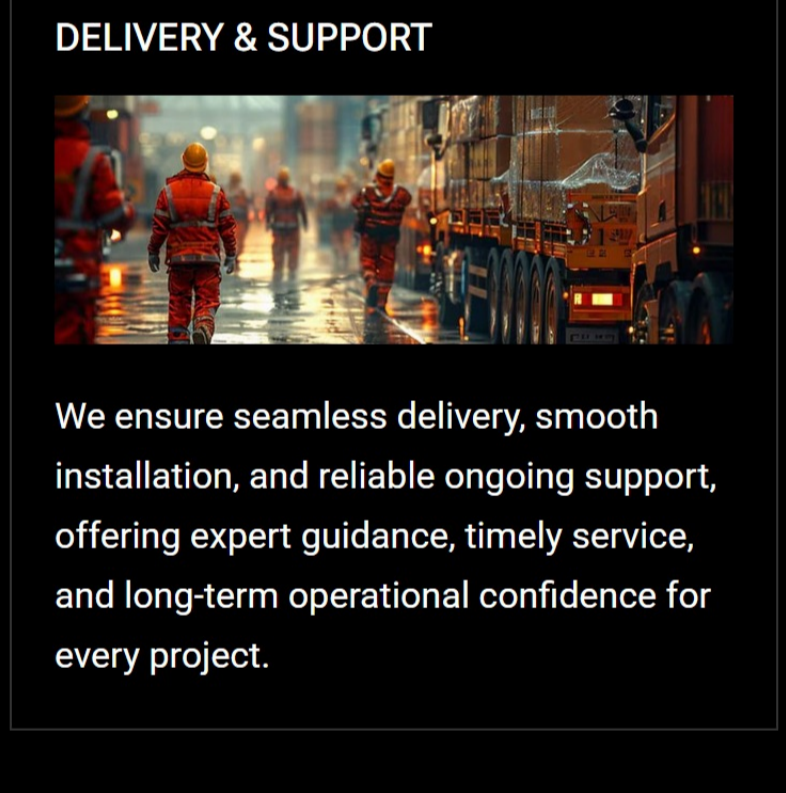

**Efficient Work Process**

01. PREPARATION OF MATERIALS

02. RAW MATERIALS TRANSPORTATION

03. ASSEMBLED ON EVERY DETAIL

04. PACKAGING AND DISTRIBUTION

**35+**  
YEARS OF EXPERIENCE

■ WORKING PROCESS

## QUALITY INDUSTRY IS THE BETTER FUTURE

Whether it's robot setup, renewable energy, oil & gas, or CNC machining, our work reflects precision, and lasting impact across every project.

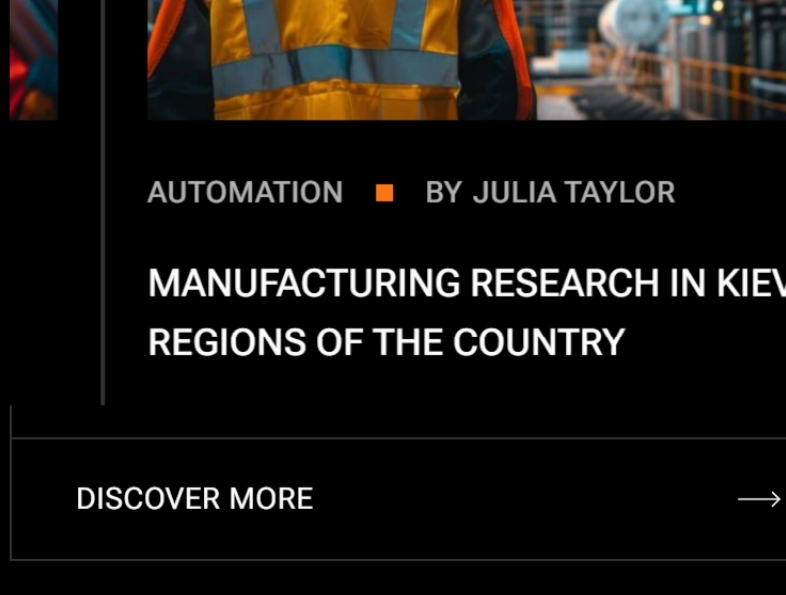

**ROBOT INSTALLATION**

■ RENEWABLE ENERGY

■ GAS & OIL INDUSTRY

■ CNC TURNING

■ AUTOMATION

Streamline production with advanced robotic systems for faster workflows, higher accuracy, and improved efficiency.

■ WHY CHOOSE US

## SMART PROCESSES AND STRONGER OUTCOMES

01 **CONSULTATION & PLANNING**

We start by understanding your goals, challenges, and operational needs, then develop plans that elevate your processes. Our collaborative approach ensures solution aligns with your vision for growth.

02 **DESIGN & ENGINEERING**

We create precise, innovative designs backed by strong engineering expertise to enhance performance, improve reliability, and deliver efficient industrial solutions tailored to your needs.

03 **EXECUTION & FABRICATION**

We turn engineered concepts into reality with efficient execution, ensuring every component is built to specification, delivered on time, and optimized for long-term industrial performance.

04 **DELIVERY & SUPPORT**

We ensure seamless delivery, smooth installation, and reliable ongoing support, offering expert guidance, timely service, and long-term operational confidence for every project.

■ OUR CLIENTS

## TRUSTED BY INDUSTRY LEADERS, RECOGNIZED FOR INNOVATION AND A PROVEN LEGACY OF EXCELLENCE.

■ PROJECT

## INNOVATING FOR A BETTER FUTURE

**MORE PROJECT**

TECHNOLOGY  
**SUSTAINABLE PROCESS DESIGN CONCEPT**

**1000+**  
Total employees working across our industries.
